Chief, DDA Management Staff

25X1

SUBJECT:

Classified Annex to Intelligence
Authorization Conference Report

1. The attached excerpt from the Classified Annex to the Intelligence Authorization Act for 1988 directs the CIA to take immediate steps to identify alternatives to the current Agency health plan that reduce the need for future premium subsidies and that could be implemented in 1989.

2. I understand that your staff has been working with [REDACTED] on funding possibilities for 1989 and that you have also been working with an insurance consultant on possible longer range solutions. The DDA suggests you include any options you are actively considering in your report.

25X1

3. Please have your staff telecommunicate your report, using the same format as last year's, to this staff by 11 March 1988. They can call [REDACTED] with any questions.
